# Visiting Artist Studio Himmelgeister Str.

Location • Facilities • Artists'card • Contacts • Map

## Location

The guest studio is on the first floor of the studio house in th Bilk area of Düsseldorf. The building is the former factory of Jagenberg mechanical engineering company. The building is named after the architect „Salzmann“.

In the Salzmann building are 36 studios in which artists of all disciplines live and work.

In the 1980´s the ground of the former factory were completely redeveloped.

The area Bilk is urban and lively, with many shopping streets, its own shopping mall and trendy bars as well as a local train station.
